

VIRGINIA RURAL WATER ASSOCIATION PRESENTS

Complete Utility Locate System / Trench Safety

(3.0 CPE Water/Wastewater)

**Thursday,
September 3, 2020**

WEBINAR

Registration Required

Description: This class will instruct on the topics of Complete Utility Locate System and Reducing Jobsite Disasters: An Introspective Look at Trench Safety.

As underground utility damage continues to increase, it is of critical importance that utilities can insure proper detection of their assets. In the first part, attendees will learn the different variables present in locating. Attendees will then learn the best practices for tracer wire installation and testing, leading to instruction on how to write a proper tracer wire specification.

The second part of this training will cover important facts and terms relating to trenching and excavation as well as describing and differentiating the various types of shoring/trenching systems. Understanding and applying OSHA regulations at excavation sites to promote worker safety will also be discussed.

PRE-REGISTRATION IS REQUIRED

Instructors: Chuck Rockacy, Rockacy Associates

Host: VRWA Staff

Webinar Time: 1:00pm -4:00pm

Cost: \$30 - VRWA Members

\$60 - Non-Members

Webinar Link will be emailed to you after registration is complete.

To Register: The preferred method for registration is online at the VRWA website (www.vrwa.org). If an attendee does not have internet access, he or she may complete the registration form on the back of this page and fax it to the VRWA office at **540-261-2465**. For answers to questions regarding the registration process, please call the VRWA office at **540-261-7178**.
