

# America's Water Infrastructure Act 2018 Software Training

(4.0 CPEs Water)

**Tuesday,  
January 12, 2021**

**WEBINAR**

**Registration Required**

**Description:** This training webinar will combine the training of the AWIA 2018 requirements with the Security Emergency Management Software (SEMS). Each participant will receive a one-year subscription of the software for their utility if purchased. The software will capture the data that your utility will need to prepare for certifying your Risk and Resilience Assessments and your Emergency Response Plans for EPA. You will learn how to navigate your software program with easy Step-by-Step tools that will generate reports for you to share with your key players in your organization. This software will make it easy for your utility to tackle the AWIA 2018 Regulations securely and at your own pace.

**PRE-REGISTRATION IS REQUIRED**

**Instructor:** Mitch Copman (SEMS Representative)

**Host:** VRWA Staff

**Webinar Time:** 8:00am–12:00pm

**Cost:** \$50.00

This fee is included in the software pricing. If you are not purchasing the software, please pay registration fee of \$50.00.
