Emerging Contaminants

(3.0 Wastewater CPEs)

**Wednesday,
May 15, 2024**

Location:

South Hill City Hall
211 S. Mecklenburg Ave.
South Hill, VA 23970

or

Virtually
(link sent before class)

Registration Required

Quality On Tap!

2138 Sycamore Avenue
Buena Vista, VA 24416
Phone: 540-261-7178
Fax: 540-261-2465
On the web: www.vrwa.org

Description: This class provides an in-depth look at PFAS compounds and endocrine disruptors that are contaminants in wastewater which operators will be expected to treat to meet state and federal standards. The class will be based on a presentation written by leading microbiologist Toni Glymph. Operators will learn what the contaminants are, the reason they are a concern and ways to remove them from effluent discharge.

PRE-REGISTRATION IS REQUIRED
Class Size Limited to 30

Instructors: Rodney McClain (VRWA Wastewater Technician)

Class Time: 9:00am—Noon

Cost: FREE

To Register: The preferred method for registration is online at the VRWA website (www.vrwa.org). If an attendee does not have internet access, he or she may complete the registration form on the back of this page and fax it to the VRWA office at **540-261-2465**. For answers to questions regarding the registration process, please call the VRWA office at **540-261-7178**.

Registration Deadline: May 7, 2024
