Description: This class provides an in-depth look at PFAS compounds and endocrine disruptors that are contaminants in wastewater which operators will be expected to treat to meet state and federal standards. The class will be based on a presentation written by leading microbiologist Toni Glymph. Operators will learn what the contaminants are, the reason they are a concern and ways to remove them from effluent discharge.

PRE-REGISTRATION IS REQUIRED
Class Size Limited to 20

Instructors: Alex Casillas (VRWA)

Class Time: 9am–12pm

Cost: FREE

To Register: The preferred method for registration is online at the VRWA website (www.vrwa.org). If an attendee does not have internet access, he or she may complete the registration form on the back of this page and fax it to the VRWA office at **540-261-2465**.

For answers to questions regarding the registration process, please call the VRWA office at **540-261-7178**.
