May 16, 2024**

Location:

South Hill City Hall
211 S. Mecklenburg Ave.
South Hill, VA 23970

or

Virtually
(link sent before class)

Registration Required

Quality On Tap!

2138 Sycamore Avenue
Buena Vista, VA 24416
Phone: 540-261-7178
Fax: 540-261-2465
On the web: www.vrwa.org

Description: Water Tanks and towers are generally the second most expensive infrastructure within the water system. Learn how to prolong the service life of these assets by effective best practices in life-cycle maintenance.

Topics included, but not limited to: water storage tank styles, condition assessments, corrosion, coating/ adhesion failures, surface preparation, telecommunications management, site security, trespass mitigation, cross contamination, and asset negligence.

PRE-REGISTRATION IS REQUIRED
Class Size Limited to 30

Instructors: Ryan Lucy (Southern Corrosion)

Class Time: 1pm –4pm

Cost: FREE

To Register: The preferred method for registration is online at the VRWA website (www.vrwa.org). If an attendee does not have internet access, he or she may complete the registration form on the back of this page and fax it to the VRWA office at **540-261-2465**. For answers to questions regarding the registration process, please call the VRWA office at **540-261-7178**.

Registration Deadline: May 7, 2024
